To ensure a smooth transition to a replacement GPS product, please refer to page 2 for suggested alternates and advise if you wish to purchase a sample for compatibility testing. Please contact Gina Aspeytia, at 858-566-0666, or gina@synergy-gps.com for data sheets and delivery availability for the suggested replacements. We thank you for your previous business and look forward to speaking with you soon.

Sincerely,

Gina Aspeytia
