RE: End of Life (EoL) SSR-6Tf+ GPS Receivers

Dear Valued Customers:

u-Blox has announced the end of life (EoL) for LEA-6T used in Synergy Systems, LLC product, SSR-6Tf+. New part numbers will be released with the u-Blox recommended successor product, LEA-M8T. As a result of this announcement, the following Synergy Systems, LLC part numbers will be discontinued but still supported.

All part numbers starting with the following:

GPS Receivers

1605xxxxG-x
16U5xxxxG-x
1643xxxxxG-x

SynPaQ Series

17011263G-x
17014263G-x

SRA Series

1101xxxxG
1103xxxxG

Any GPS receivers, or GPS sensor units that include an u-Blox LEA-6T will be discontinued but still supported.

Last time buy (LTB) orders must be placed by **5/1/24**. LTB orders are non-cancellable and non-returnable, and non-changeable. All orders are for one order, one shipment – no blanket orders.

To ensure a smooth transition to a replacement GPS product, we will release new part numbers and updated data sheets with the u-Blox LEA-M8T module.

Please contact Gina Aspeytia, at 858-566-0666, or gina@synergy-gps.com for data sheets and delivery availability for the suggested replacements.

We thank you for your previous business and look forward to speaking with you soon.

Sincerely,

Gina Aspeytia
